

# Trust My Lonely

Alessia Cara

[Verse 1]

It's time I let you go  
I made the mistake, go writing your name on my heart  
'Cause you colours showed  
But it was too late, you left me stained, caught it art  
Do you crave control?  
I've been your doll, that you poke for fun too long  
So you should go  
Don't look back, I won't come back  
Can't do that no more

[Chorus]

Go get your praise from someone else  
You did a number on my health  
My world is brighter by itself  
And I can do better, do better  
You and I were swayin' on the ropes  
I found my footing on my own  
I'm a-okay, I'm good as gold  
And I can do better, do better alone  
Alone, alone

[Verse 2]

There ain't no love 'round here  
I loved you once, but it made me dumb  
Now I'm seeing it way too clear  
You hurt me numb, and for that I've run out of time  
To have pain to feel (Pain to feel)  
I've been your game  
Just taking the blame for too long  
Get on out of here  
Don't look back, I won't come back  
Can't do that no more

[Chorus]  
Go get your praise from someone else  
You did a number on my health  
My world is brighter by itself  
And I can do better, do better  
You and I were swayin' on the ropes  
I found my footing on my own  
I'm a-okay, I'm good as gold

And I can do better, do better alone

[Bridge]  
Don't you know that you're bad for me?

I gotta trust my lonely

Don't you know that you're bad for me?

I gotta trust my lonely  
Don't you know you're no good for me?  
I gotta trust my lonely  
Don't you know you're no good for me?  
I gotta trust my lonely[Chorus]  
Go get your praise from someone else  
You did a number on my health  
My world is brighter by itself  
And I can do better, do better  
You and I were swayin' on the ropes  
I found my footing on my own  
I'm a-okay, I'm good as gold  
And I can do better, do better alone[Outro]  
Don't you know that you're bad for me?  
I gotta trust my lonely  
Don't you know that you're bad for me?  
I gotta trust my lonely  
Don't you know you're no good for me?  
I gotta trust my lonely  
Don't you know you're no good for me?  
I gotta trust my lonely
