

# Rockabye Dixie

[Abigail Washburn](#)

Me and dixie we'd waste away  
Sleep through the night and all the next day  
Sleep through the sun rain and moon  
Here in this room(chorus)  
O rockabye my dixie child  
O rockabye my dixie childMe and dixie we rolled and dreamed  
Time held us alone in this world it seemed  
Then morning broke and awoke  
You from me(chorus)Come back dixie i'll rock you to sleep  
Back to our dreams our twisted sheets  
Cradle those fading stars  
Here in my arms  
(chorus)
