

# Sad Sad City

## Ghostland Observatory

Been getting tired of my motor running  
feeling over heated cause my life keeps comming  
my hearts been troubled by the speed of love Searching the streets for a soul commity  
talking ideas on lust and pitty  
the fables I've found have no place at home Well I, need you, to want me, to hold me, to tell me  
the truth  
Say I, need you, to want me, to hold me, to tell me the truth yeah Ain't no party in a sad sad city  
Ain't no party in a sad sad city  
Well Roll the dice, pay the price dance with wolves in a pack of lies  
the blood we crave shall drive us all insane Yea Outerspace, it's a lovley place  
A long lost love in flower vase  
laying on the floor shatterd battered and bruised Well I, need you, to want me, to hold me, to tell  
me the truth  
Say I, need you, to want me, to hold me, to tell me the truth yeah Ain't no party in a sad sad city  
Ain't no party in a sad sad city Ain't no party in a sad sad city  
I, need you, to want me, to hold me, to tell me the truth  
Say I, need you, to want me, to hold me, to tell me the truth yeah Ain't no party in a sad sad city  
Ain't no party in a sad sad city hey
