

My Girl (Remix) [feat. Ciara, Tyga & Lil Twist]

Mindless Behavior

Dang, we text each other a lot. Hey, my girl, my girl, she loves me.
She hit me all the time, she be texting me.
Hey, my girl, my girl, she loves me.
She hit me all the time. Yo Prod, let 'em know. When I say hey, then you say what's up?
And I'll be like baby, do you miss me?
When you say yes, then I'll say ditto.
Then you hit me back, with the less than symbol number three. I got a clue how you feel for me.
1-4-3 a smiley with a wink.
That's how you feel baby that's what's up.
A hundred forty characters, is more than enough.
Hey, my girl, my girl, she loves me.
I know I'm on her mind even when we don't speak.
Say, my girl, my girl, she loves me.
She hit me all the time my phone be ringing off the like, yeaahhh.
She hit me all the time my phone be ringing off the like, yeaahhh.
She hit me all the time - She text me all the time When you say yo, then I'll say hey love.
You hit me with a sad face, what I do?
I hit you with a question mark.
You send me back a J slash K, said I'm just playing with you. I got a clue how you feel for me.
1-4-3 a smiley with a wink.
That's how you feel baby that's what's up.

I wonder what she texted now. Oh, oh, let me get it Prod. Me and my girlfriend, we go out every
weekend.
We just two love-birds, that's why we're always tweeting.
I tell her all my secrets, she tell me all of hers.
When we get off the phone, she says, "No you hang up first!"
My girl is my universe, I am so in love with her.
All the money in the world can't incompare to what my shawty's worth.
