

Every Planet We Reach Is Dead

Gorillaz

I lost my leg like I lost my way
So no loose ends
Nothing to see me down
How are we going to work this out
Dreams aren't bad, our heads are mad
I love the girl
But God only knows it's
Getting hard to see the sun coming through
I love you...
But what are we going to do?
Picture on the dreamer
I'll take you deeper
Down to the sleepy glow
Time is a low...
Don't you know
What are we going to do?
When you go back
All the second selfless days
You're in love with him
I want to see you again
I love you...
But what are we going to do?
