Every Planet We Reach Is Dead

Gorillaz

I lost my leg like I lost my way
So no loose ends
Nothing to see me down
How are we going to work this outDreams aren't bad, our heads are mad
I love the girl
But God only knows it's

Getting hard to see the sun coming through

I love you...

But what are we going to do? Picture on the dreamer

I'll take you deeper

Down to the sleepy glow

Time is a low...

Don't you know

What are we going to do?

When you go back

All the second selfless days

You're in love with him

I want to see you again

I love you...

But what are we going to do?
