

Bartzabel

Behemoth

O Purple flame
O whirling wheel ov life
And here moon rise
Come unto me Bartzabel
By the laws divine I quell
Come unto me Bartzabel
By the raging blood cells
Come unto me Bartzabel
By the spear, the sword, the spell
Come unto me Bartzabel
By the word that openeth Hell
By Ra Hoor Khuit
By Elohim
By Samael
By Seraphim
By Hoor and Khem
By Gods ov War
Ares and Mars, and mighty Thor
Come unto me Bartzabel
By the power ov the panther's spell
Come unto me Bartzabel
By the circling citadel
Come unto me Bartzabel
By this mind ov miracles
Come unto me Bartzabel
By the mourning stars, I swear
By Ra Hoor Khuit
By Elohim
By Samael
By Seraphim
By Hoor and Khem
By Gods ov War
Ares and Mars, and mighty Thor!
By Gods ov War
By Khem and Hoor
By Hachiman
Mentu, and all
And by thy master, Graphiel
Come unto me
O Bartzabel
