

# Bartzabel

## Behemoth

O Purple flame  
O whirling wheel ov life  
And here moon rise  
Come unto me Bartzabel  
By the laws divine I quell  
Come unto me Bartzabel  
By the raging blood cells  
Come unto me Bartzabel  
By the spear, the sword, the spell  
Come unto me Bartzabel  
By the word that openeth Hell  
By Ra Hoor Khuit  
By Elohim  
By Samael  
By Seraphim  
By Hoor and Khem  
By Gods ov War  
Ares and Mars, and mighty Thor  
Come unto me Bartzabel  
By the power ov the panther's spell  
Come unto me Bartzabel  
By the circling citadel  
Come unto me Bartzabel  
By this mind ov miracles  
Come unto me Bartzabel  
By the mourning stars, I swear  
By Ra Hoor Khuit  
By Elohim  
By Samael  
By Seraphim  
By Hoor and Khem  
By Gods ov War  
Ares and Mars, and mighty Thor!  
By Gods ov War  
By Khem and Hoor  
By Hachiman  
Mentu, and all  
And by thy master, Graphiel  
Come unto me  
O Bartzabel
