

# Leave the Riches

## Son Lux

Leave the riches,  
take the bones  
I'm ready to be robbed  
I'm ready for your thieving hand  
Leave the riches,  
take the bones  
Leave the linen and take the bones  
I'm ready to undress  
I will become a breathing man  
Leave the linen and  
Take the bones  
Take those clothes off you  
Let them go  
Leave the riches  
Take the bones  
I'm ready to be robbed  
I'm ready for your thieving hand  
Leave the riches,  
take the bones  
Leave the linen and take the bones  
I'm ready to undress  
I will become a breathing man  
Leave the linen and  
Take the bones  
Take those clothes off you  
Let them go  
Take those clothes off you  
Let them go  
Leave the linen and take the bones  
I'm ready to undress
