

Safe (In the Heat of the Moment)

Duran Duran

People say you've been around
How 'bout you and me get down?
How 'bout you and me get down?
Babe I know you've been around
Unmake your bed
Don't think about what lies ahead
Don't you want to be misled?
Don't you want to be misled? Fame, seems a far off day
When enough was never enough
Vain, how I played my hand
One more reckless man in the rough
Strange, how we explain the story
That we've lived through
Change, my karma train, the person
I can be for you is...SAFE — safe in the heat of the moment —
A stillness that comes to me
When I'm close to you
SAFE — safe at the speed of atonement —
A feeling that runs so deep
That it scares me too Dazed by my own escape
From the single state I was used to
Face my catch-22
Can I stay this way if I choose to? Wrong, to be so contained now I can't explain what is
Happening
Strong, is the human chain, as it pulls me through,
What I bring to you is...
SAFE — safe in the heat of the moment —
A stillness that comes to me
When I'm close to you
SAFE — safe at the speed of atonement —
A feeling that runs so deep
That it scares me too SAFE — safe in the heat of the moment —
A stillness that comes to me
When I'm close to you
SAFE — safe at the speed of atonement —
A feeling that runs so deep
That it scares me too Fame, seems a far off day
When enough was never enough
Vain, how I played my hand
One more reckless man in the rough Hook a finger wink an eye
Caresses running up your thigh
Scratch my surface dig in deep

There's always secrets left to keep
Safe not sound who made these rules
Crowd control for enlightened fools
So come on boy let's change the pace
Come feel the chill of my embrace
People say you've been around
How 'bout you and me get down?
How 'bout you and me get down?
Babe I know you've been around
Unmake your bed
Don't think about what lies ahead
Don't you want to be misled?
Don't you want to be misled? Safe, safe in the heat of the moment
A stillness that comes to me
When I'm close to you
Safe, safe at the speed of atonement
A feeling that runs so deep
That it scares me too Safe, safe in the heat of the moment
A stillness that comes to me
When I'm close to you
Safe, safe at the speed of atonement
A feeling that runs so deep
That it scares me too
