

# Safe (In the Heat of the Moment)

## Duran Duran

People say you've been around  
How 'bout you and me get down?  
How 'bout you and me get down?  
Babe I know you've been around  
Unmake your bed  
Don't think about what lies ahead  
Don't you want to be misled?  
Don't you want to be misled? Fame, seems a far off day  
When enough was never enough  
Vain, how I played my hand  
One more reckless man in the rough  
Strange, how we explain the story  
That we've lived through  
Change, my karma train, the person  
I can be for you is...SAFE — safe in the heat of the moment —  
A stillness that comes to me  
When I'm close to you  
SAFE — safe at the speed of atonement —  
A feeling that runs so deep  
That it scares me too Dazed by my own escape  
From the single state I was used to  
Face my catch-22  
Can I stay this way if I choose to? Wrong, to be so contained now I can't explain what is  
Happening  
Strong, is the human chain, as it pulls me through,  
What I bring to you is...  
SAFE — safe in the heat of the moment —  
A stillness that comes to me  
When I'm close to you  
SAFE — safe at the speed of atonement —  
A feeling that runs so deep  
That it scares me too SAFE — safe in the heat of the moment —  
A stillness that comes to me  
When I'm close to you  
SAFE — safe at the speed of atonement —  
A feeling that runs so deep  
That it scares me too Fame, seems a far off day  
When enough was never enough  
Vain, how I played my hand  
One more reckless man in the rough Hook a finger wink an eye  
Caresses running up your thigh  
Scratch my surface dig in deep

There's always secrets left to keep  
Safe not sound who made these rules  
Crowd control for enlightened fools  
So come on boy let's change the pace  
Come feel the chill of my embrace  
People say you've been around  
How 'bout you and me get down?  
How 'bout you and me get down?  
Babe I know you've been around  
Unmake your bed  
Don't think about what lies ahead  
Don't you want to be misled?  
Don't you want to be misled? Safe, safe in the heat of the moment  
A stillness that comes to me  
When I'm close to you  
Safe, safe at the speed of atonement  
A feeling that runs so deep  
That it scares me too Safe, safe in the heat of the moment  
A stillness that comes to me  
When I'm close to you  
Safe, safe at the speed of atonement  
A feeling that runs so deep  
That it scares me too
