

# Flower Power

Greta Van Fleet

She is a lady, comes from all around  
She's many places, but she's homeward bound  
And now she walks kinda funny  
I think she knows  
Day by day by day  
Our love grows  
She's a lantern in the night  
She's outta sight  
Ma ma ma...  
Hey!  
It turns to night, fire light  
Star shines in her eye  
Makes me feel like I'm alive  
She's outta sight, yeah  
Aw yeah!  
She's alright, she's alright, she's alright  
She's outta sight, outta sight  
Electric gold our love with tender care  
Hills of satin grass and maidens fair  
Now she rides through the night  
On a silver storm  
Sword in hand  
Our fate's torn  
She's a sparrow of the dawn  
Our love is born  
Ma ma ma...  
Hey!  
Turn to night, fire light  
Star shines in her eye  
Makes me feel like I'm alive  
She's outta sight, yeah  
Aw yeah!  
She's alright, she's alright, she's alright  
She's outta sight, outta sight  
Yeah!...  
Ooh yeah, ooh yeah, ooh yeah  
As the days pass by my mind  
Are the wrong, the right  
You are my sunshine  
And as the night begins to die  
We are the morning birds that sing against the sky
