

# I'd Be Lying

Greg Laswell

won't you let me give you a hand  
i have an extra I'm not using  
won't you let me lighten your load  
i mean after all your legs are shaking and i can understand  
all i need is your hand  
oh won't you take the fall  
it is me after all won't you let me match your stride  
i can slow down if you want to  
we can handle it side by side  
what do you say girl don't you want to  
and i can understand  
all i need is your hand  
oh won't you take the fall  
it is me after all I'd be lying  
if i ran away  
I'd be lying  
if i ran another way and so I'll stay but won't you let me be your man  
I'm strong enough you know that i can  
be the one to ease your mind  
ease your mind and i can understand  
all i need is your hand  
oh won't you take the fall  
it is me after all  
I'd be lying  
if i ran another way  
I'd be lying  
if i ran another way  
and so I'll stay won't you let me give you a hand  
i have an extra I'm not using  
won't you let me lighten your load  
i mean after all your legs are shaking and i can understand  
all i need is your hand  
oh won't you take the fall  
it is me after all  
[x2]there's not much that you can do  
to get me to run away from you  
[x6]I'd be lying  
if i ran away  
I'd be lying  
if i ran another way
