

# Dangerously In Love

## Destiny's Child

I love you  
I love you, I love you Baby I love you, you are my life  
My happiest moments weren't complete if you weren't by my side  
You're my relation and connection to the sun  
You next to me, there's no darkness I can't overcome You are my raindrops, I am the sea  
You and God who's my sunlight, I'm blooming, grown so beautifully  
Baby I'm so proud, proud to be your girl  
You make the confusion go all away from this cold and misty world I am in love with you  
You set me free  
I can't do this thing called life without you here with me  
'Cause I'm dangerously in love with you  
I'll never leave  
Just, just keep loving me the way I love you loving me  
I am in love with you  
You set me free  
I can't do this thing called life without you here with me  
'Cause I'm dangerously in love with you  
I'll never leave  
Just keep loving me the way I love you loving me I know you love me, love me for who I am  
'Cause years before I became who I am, baby you were my man  
I know it ain't easy, easy loving me  
I appreciate the love and dedication from you to me Later on in my destiny I see myself having  
your child  
I see myself being your wife and I see my whole future in your eyes  
Thought of all my love for you, sometimes makes me wanna cry  
Realize all of my blessings, I'm grateful to have you by my side  
I am in love with you  
You set me free  
I can't do this thing called life without you here with me  
'Cause I'm dangerously in love with you  
I'll never leave  
Just, just keep loving me the way I love you loving me I am in love with you  
You set me free  
I can't do this thing called life without you here with me  
'Cause I'm dangerously in love with you  
I'll never leave  
Just keep loving me the way I love you loving me Every time I see your face, my heart smiles  
Every time it feels so good, it hurts sometimes  
Created in this world to love  
To hold, to feel, to breathe, to live you  
Dangerously in love, yeah I am in love with you  
You set me free

I can't do this thing called life without you here with me  
'Cause I'm dangerously in love with you  
I'll never leave  
Just, just keep loving me the way I love you loving me I am in love with you  
You set me free  
I can't do this thing called life without you here with me  
'Cause I'm dangerously in love with you  
I'll never leave  
Just keep loving me the way I love you loving me Dangerously  
Dangerous, dangerously in love with you  
Oh, I love you, I love you, I love you, I love you, I love you, I love you  
I love you, oh yes  
I love you  
I love you, I love you, I love you, I love you, I love you  
I love you  
I love you  
I love you, I love you, I love you, I love you I will survive the past, I will survive the fear and I  
will survive
