Fire of Heaven / Altar of Earth

Matisyahu

Fire descends from on high in the shape of a lion
Burn the sacrifice of pride and ride on to Mount ZionRub me the wrong way, taking the highway

Rubbing sticks together but your fire's man-made Capitalize on hot air, soar like an airplane Yearn to rise in the sky quick high like cocaine False pride is suicide but you've got nothing to gain Babylon's buildings raise like flames

Drowning in their Champaign

Explosion pulled the pin in the hand grenadeSoul stain blowing up

In your own domain

Fire crackers ooh and aah

But they never maintain

Fires burning

Flames are dancing

Don't burn the house down

Heavenly fire

Only resides

On an altar made from the groundFire descends from on high in the shape of a lion Burn the sacrifice of pride and ride on to Mount ZionOne pair of eyes

But see two different things

One person cries but the other one sings

You walk around like everybody owes you something

Take what you got, thank G-d for all that life brings

The poor man has it all but not content with anything

While the rich man's hands are empty but he's sitting like a king

Backpack's getting heavy, moving at a steady pace

Carrying bricks on your shoulders and lead around your waist

Making way, run in haste

There is no time to taste

what you ate

We should be grateful

Got a plateful

Fire burns like ice morsels falling fire like rain

Just a Man
