

# Energetic

## BoA

Oh oh oh oh oh oh oh  
Report to the dance dance dance floor  
Oh oh oh oh oh oh oh oh  
Report to the dance dance dance dance dance floor I'm feelin' so energetic  
Don't think y'all will ever get it The floor is callin' me  
And I don't know what else to do  
The energy in here is fire  
And the speakers too  
See the DJ hittin' that replay  
Do what he say and turn me on  
Imma do a lotta talkin' with my feet  
And the beat and I promise don't need no phone  
Put me on  
Report to the dance floor  
Put me on  
Report to the dance floor I'm feelin' so energetic  
Don't think y'all will ever get it Meet me in the club I feel like I'm up there abo- abo- above the  
clouds  
Did you meet my speaker?  
Ain't he, ain't he, ain't he talkin loud? Don't he beat the floor  
Don't he beat the floor  
Don't he beat the floor  
That's that and I ain't gotta say no more I'm feelin' so energetic  
Don't think y'all will ever get it Meet me in the club  
Report to the dance floor  
Report to the dance floor Put me on  
Report to the dance floor  
Put me on  
Report to the dance floor I'm feelin' so energetic  
Don't think y'all will ever get it Meet me in the club
