

# Benz Truck (?????)

## Lil Peep

Lil Bo Peep with a brand new bitch  
In the back of the club with the GothBoiClique  
Iced out teeth, want an iced out whip  
With the limousine tints, you can suck my dick  
Friends switch up when you in a Benz truck (skrrt)  
Hoes wanna fuck, tell a bitch, "Good luck"  
Hoes wanna fuck 'cause I just came up, yeah  
(GothBoiClique)Lil Bo Peep with a brand new bitch  
In the back of the club with the GothBoiClique  
Iced out teeth, want an iced out whip  
With the limousine tints, you can suck my dick  
Friends switch up when you in a Benz truck (skrrt)  
Hoes wanna fuck, tell a bitch, "Good luck"  
Hoes wanna fuck 'cause I just came up  
Drugs in my nose, good drugs in my cup  
I don't wanna wait now  
But I know you gon' make me  
Who you wanna hate now?  
Pretty soon you gonna hate me (GothBoiClique)  
Gettin' to the cake now  
All the hate don't phase me  
All the money that I make now  
I'll never let it change me  
I don't wanna wait now  
But I know you gon' make me  
Who you wanna hate now?  
Pretty soon you gonna hate me  
Gettin' to the cake now  
All the hate don't phase me  
All the money that I make now
