

# Niggas

## Kehlani

I'm young, I be sprung and  
Sometimes it's just so damn fast  
I'm not dumb, no I'm not dumb  
I know exactly what went wrong in my past  
So caught up  
In what I thought it all should be  
I'm locked up  
So tired of losing parts of me  
To all these niggas  
Niggas gon' always be niggas  
Can't afford to give my heart to these niggas  
Ain't got time to lose my mind to these niggas I'm not yours, never was and  
I really just can't be mad  
I'm the one, I know, I'm the one  
And I'm completely fine with everything that I am  
Too damn strong  
To let you get the best of me  
Took way too long  
To find the light inside of me  
Fuck all these niggas Niggas gon' always be niggas  
Can't afford to give my heart to these niggas  
Ain't got time to lose my mind to these niggas  
Niggas, niggas gon' be niggas  
Walkin' 'round so small but actin' like they're bigger  
Actin' so damn bitter, lettin' go of their temper  
I ain't got the time so I'll crop that ass out that picture  
I'd be mad if I stayed true, it ain't in me to play you  
If I took you down, yeah you can't talk shit cause I fed you  
You was lost and I led you, a part of me, boy I bled you  
Thought you was the one but you actin' like one of these niggas Niggas gon' always be niggas,  
yeah  
Can't afford to give my heart to these niggas  
Ain't got time to lose my mind to these niggas
