

TKO

Le Tigre

Want more real attention.
At my expense guess you forgot to mention.
 You talk good,
 I'll eat glass.
I heard you read my mind behind my back.
 Outside, I'm waitin'
 by the car when you're hesitatin'.
 Take a good look.
 Take a photo.
Write about it in your tiny notebook.
 Don't you know? You're out cold.
Don't you know? It's our dance-floor!
 T.K.O. Hear it on the radio.
 T.K.O. Play it on the stereo.
 T.K.O. Watch a live video.
 T.K.O.
 T.K.O-O
 Oh, oh.
 Oh, oh. Got your money safe.
 Wanna be "In".
Everyday it just gets closer to you.
 I say my piece,
And when it's over, you'll be on your knees, I,
 got this soul thing on the go -ho.
Read about it at your Barnes & Noble.
Don't you know? It's our dance-floor!
 T.K.O. Hear it on the radio.
 T.K.O. Play it on the stereo.
 T.K.O. Watch a live video.
 T.K.O.
 T.K.O-O
 Oh, oh.
 Oh, oh. Night is young
And we all know what's up
 Beyond the setting sun
 The ocean calls us
 away from...
 (sample overlay)...
Don't you know? It's our dance-floor
 Oh-oh
Oh-oh T.K.O. Hear it on the radio.
 T.K.O. Play it on your stereo.

T.K.O. Watch a live video.
T.K.O.
T.K.O-O
T.K.O. Hear it on the radio.
T.K.O. Play it on your stereo.
T.K.O. Watch a live video.
T.K.O.
T.K.O-O
