

Mouth of the River

Imagine Dragons

I want to live a life like that
Live the life of the faithful one
Wanna bow to the floor
With everybody else want to be someone
I want to make some love
I don't want no enemies
It's the curse of a man
Always living life, living live, living just to please Oh the mouth of the river
And the wrath of the giver
With the hands of a sinner
Oh the mouth of the river (woah)
Oh the mouth of the river (woah)
And the wrath of the giver (woah)
With the hands of a sinner (woah)
On the mouth of the river
Oh I'm alkaline
I'm always keeping the basics
I'm overboard
I'm self-destructive
And self-important
And I'm anxious
Oh I'm self-assured
I'm nervous
And I'm pacing, I'm pacing Oh the mouth of the river
And the wrath of the giver
With the hands of a sinner
Oh the mouth of the river (woah)
Oh the mouth of the river (woah)
And the wrath of the giver (woah)
With the hands of a sinner (woah)
On the mouth of the river
And I am going under
Oh I am going under
I am going under
Oh I am going under
I am going under
Oh I am Oh the mouth of the river
And the wrath of the giver
With the hands of a sinner
Oh the mouth of the river (woah)
Oh the mouth of the river (woah)
And the wrath of the giver (woah)

With the hands of a sinner (woah)
On the mouth of the river
