## Mouth of the River

## **Imagine Dragons**

I want to live a life like that

Live the life of the faithful one

Wanna bow to the floor

With everybody else want to be someone

I want to make some love

I don't want no enemies

It's the curse of a man

Always living life, living live, living just to pleaseOh the mouth of the river

And the wrath of the giver

With the hands of a sinner

Oh the mouth of the river (woah)

Oh the mouth of the river (woah)

And the wrath of the giver (woah)

With the hands of a sinner (woah)

On the mouth of the river

Oh I'm alkaline

I'm always keeping the basics

I'm overboard

I'm self-destructive

And self-important

And I'm anxious

Oh I'm self-assured

I'm nervous

And I'm pacing, I'm pacingOh the mouth of the river

And the wrath of the giver

With the hands of a sinner

Oh the mouth of the river (woah)

Oh the mouth of the river (woah)

And the wrath of the giver (woah)

With the hands of a sinner (woah)

On the mouth of the river

And I am going under

Oh I am going under

I am going under

Oh I am going under

I am going under

Oh I amOh the mouth of the river

And the wrath of the giver

With the hands of a sinner

Oh the mouth of the river (woah)

Oh the mouth of the river (woah)

And the wrath of the giver (woah)
