

# Give Me Love (feat. Calum Scott)

## Don Diablo

When the lights come on, the party's over  
And I ain't got no car to drive you home  
Would the night be too cold for me to hold you  
Would you stay, would you leave me all alone?'Cause all the money in the world won't mean a  
thing

With the hole in my heart it won't beat again  
It's true, oh, without you  
Oh, I've been laying in the dark, been out of my mind  
I've fallen from the heights and crashing through the lows  
Now I need to know  
Can you give me love?  
Give me love

When I'm standing here with nothing  
Would you show me I'm worth something?  
Give me love  
Give me love

When it feels like it's all over  
Would you stay and pull me closer? Give me love  
Give me love If it rain in the middle of summer  
Would you lay in the grass like we used to do  
Would you run, would you leave or change your number?  
If someone gave you the things I couldn't give to you  
'Cause all the money in the world won't mean a thing  
With the hole in my heart it won't beat again  
It's true, oh, without you

Oh, I've been laying in the dark, been out of my mind  
I've fallen from the heights and crashing through the lows  
Now I need to know Can you give me love? Give me love  
When I'm standing here with nothing  
Would you show me I'm worth something?  
Give me love  
Give me love

When it feels like it's all over  
Would you stay and pull me closer? Give me love  
Give me love I'll give you all my love  
I'll give you all my love  
I'll give you all my love  
I'll give it up, I'll give it up  
I'll give you all my love  
I'll give you all my love  
I'll give you all my love  
I'll give it up Can you give me love?

(I'll give you all my love)  
Give me love  
(I'll give you all my love)  
When I'm standing here with nothing  
Would you show me I'm worth something?  
Give me love, (I'll give you all my love)  
Give me love  
(I'll give you all my love)  
When it feels like it's all over  
Would you stay and pull me closer? I'll give you all my love  
I'll give it up, I'll give it up  
I'll give you all my love  
I'll give it up, I'll give it up  
I'll give you all my love  
I'll give it up I'll give it up
