These Words

Natasha Bedingfield

These words are my ownThrew some chords together The combination D-E-F It's who I am, it's what I do And I was gonna lay it down for youTry to focus my attention But I feel so A-D-D I need some help, some inspiration (But it's not coming easily)Woah oh! Trying to find the magic (Woah oh) Trying to write a classic (Woah oh)Don't you know, don't you know, don't you know? (Woah oh) Waste-bin full of paper Clever rhymes, see you later These words are my own From my heart flowI love you, I love you, I love you There's no other way To better sayI love you, I love you... Read some Byron, Shelley and Keats Recited it over a Hip-Hop beat I'm having trouble saying what I meanWith dead poets and drum machines You know I had some studio time booked But I couldn't find a killer bookNow you've gone & raised the bar right up Nothing I write is ever good enough These words are my own From my heart flow I love you, I love you, I love you, I love you There's no other wayTo better say I love you, I love you! These words are my ownFrom mi heart flow I love you, I love you, I love you, I love you There's no other way To better say I love you, I love you! I'm getting off my stage The curtains pull away No hyperbole to hide behind My naked soul exposes Whoah. oh. oh. oh. Whoah. oh. Trying to find the magic Trying to write a classic Waste-bin full of paper Clever rhymes, see you later These words are my own

From my heart flow (Don't you know) I love you, I love you, I love you, I love you There's no other way To better say I love you, I love you! These words are my own From my heart flow (From my heart) I love you, I love you, I love you, I love you There's no other way To better say I love you, I love you! These words are my own From my heart I love you, I love you That's all I got to say Can't think of a better way And that's all I've got to say I love you, is that okay?
