

# Walk In Jerusalem

Mahalia Jackson

Way up, way up  
Way up, way up  
High up in Jerusalem  
When I die  
(rpt again)Go knows I'm gonna  
Walk in Jerusalem  
Talk in Jerusalem  
Sing in Jerusalem  
Be in Jerusalem  
High up in Jerusalem whe I dieOh, be in Jerusalem  
Sing in Jerusalem  
Shout in Jerusalem  
Pray in Jerusalem  
High up in Jerusalem when I die.  
Hmm, when I get down to the river  
I'm gonna stick my sword in the sand  
For I spy the ol' ship of Zion  
Who took a-many to the Promised Land  
Way over in Buelah  
Where there ain't no dying there  
Where the saints shoutin' victory  
Oh, they singin', Lord, everywhere  
Way over in Buelah  
I hear the voice of friends I've known  
They been gone on, gone on to Glory  
Well, well a long time ago  
They been waitin'  
They been watchin'  
They been waitin' at the beautiful gates  
And one day I'm gonna meet them  
Oh, I'm gonna sing forever more  
Way over in Buelah  
I see the Captain beckoned to me  
Well, he's callin' all God's chirrun'  
Oh, to meet him on the Promised Land.  
God knows I'm gonna  
Walk in Jerusalem  
Talk in Jerusalem  
Sing in Jerusalem  
Be in Jerusalem  
High up, oh, in Jerusalem  
When I die, Oh yeahWell, be in Jerusalem

Sing in Jerusalem  
Shout in Jerusalem  
Sing in Jerusalem  
High up, oh, in Jerusalem  
When I die.
