

# The Arms of Sorrow

## Killswitch Engage

Imprisoned, inside this mind  
Hiding behind the empty smiles  
So simple (the anguish)  
As it mocks me  
Crawling back into the dark  
Running, always running, into the distance  
Stop me before I bleed, again  
The echoes of my voice  
Follow me down  
The shadows I cast  
Follow me down  
Deeper I'm falling  
Into the arms of sorrow  
Blindly descending  
Into the arms of sorrow  
There must be serenity  
The echoes of my voice  
Follow me down  
The shadows I cast  
Follow me down  
Deeper I'm falling  
Into the arms of sorrow  
Blindly descending  
Into the arms of sorrow  
The demons of my own design  
This horror must not remain  
Deeper I'm falling  
Into the arms of sorrow  
Blindly descending  
Into the arms of sorrow  
There must be serenity  
There must be deliverance  
Deeper I'm falling  
Blindly descending  
Deeper I'm falling
