

Lean On Me

The Tenors

Sometimes in our lives, we all have pain, we all have sorrow.
But if we are wise, we know that there's always tomorrow, tomorrow. Lean on me.
When you're not strong, I'll be your friend, I'll help you carry on.
For, it won't be long 'til I'm gonna need, somebody to lean on. Please, swallow your pride, If I
have things, you need to borrow.
For no one can fill, those of your needs, that you won't let show. Lean on me.
When you're not strong, I'll be your friend, I'll help you carry on.
For, it won't be long, 'til I'm gonna need, somebody to lean on.
You just call on me brother, when you need a hand.
We all need somebody, need somebody. I just might have a problem, that you'll understand.
We all need somebody to lean on. If there is a load, you have to bear, that you can't carry
I'm right up the road
I'll share your load, if you just call me.
Won't you call me? Call me, Call me
(Won't you call me, Call me, Call me, Call me, Won't you call me, Call me)
Lean on me, When you need a friend.
Just lean on me.
Lean on me, when you're not strong.
I will be your friend, help you carry on.
Lean on me, when you need a friend.
Won't you call me?
