

# One Day At a Time

## Jonas Brothers

Wednesday, I came home from school  
Did my homework in my room  
Then I watched some TV  
I still miss you  
Thursday, morning went on line  
Got to school at half past nine  
Wound up in detention  
I still miss you  
Everything I do  
Brings me back to you  
And I die  
One day at a time  
'Cause I just can't seem  
To get you off my mind  
No matter how I try  
Try to kill the time  
Well, I think that I'm just going crazy  
One day at a time  
Friday, I got out of bed  
Tried to smile, frowned instead  
Burnt some toast for breakfast  
I still miss you  
Saturday, I turned sixteen  
Never dreamt you'd act so mean  
You didn't even call me  
But I still miss you  
And when I turn ninety four  
I think I'll miss you even more  
And I die  
One day at a time  
'Cause I just can't seem  
To get you off my mind  
No matter how I try  
Try to kill the time  
Well, I think that I'm just going crazy  
One day at a time  
I miss you more  
Than I did a minute ago  
I'd climb a mountain  
Just to hear your echo, you  
All I wanted was you and tell me please  
Do you think of me now and then  
'Cause if I'll never see you again  
I'll still miss you  
And I die  
One day at a time  
'Cause I just can't seem  
To get you off my mind  
No matter how I try  
Try to kill the time  
Well, I think that I'm just going crazy  
One day at a time  
Oh, one day at a time  
Well, I think that I'm just going crazy

One day at a time  
Oh, I think, I? m going crazy  
One day at a time
