

Hey Boy

The Blow

Hey Boy
Why you didn't call me?
I waited for days
I can't believe you didn't callHey Boy
Why you didn't call me?
I waited for days
I can't believe you didn't callA. You're gay
B. You've got a girlfriend
C. You kinda thought I came on too strong or
D. I just wasn't your thing
No ring
Hey Boy
Why you didn't call me?
I waited for days
I can't believe you didn't callWhen we sat outside for an hour at the party and talked
I thought something good could be starting
It's not a lot that I want
Just some talking
And really, you just injured my prideHey Boy
Why you didn't call me?
I waited for days
I can't believe you didn't call
Susan said that maybe you're scared
Shelly says there always is a reason
And Chris said you're probably surrounded by girls
And I'm just not one of them you're needing
