Hey Boy

The Blow

Hey Boy
Why you didn't call me?
I waited for days
I can't believe you didn't callHey Boy
Why you didn't call me?
I waited for days

I can't believe you didn't callA. You're gay

B. You've got a girlfriend

C. You kinda thought I came on too strong or

D. I just wasn't your thing

No ring

Hey Boy

Why you didn't call me?

I waited for days

I can't believe you didn't callWhen we sat outside for an hour at the party and talked I thought something good could be starting

It's not a lot that I want

Just some talking

And really, you just injured my prideHey Boy

Why you didn't call me?

I waited for days

I can't believe you didn't call

Susan said that maybe you're scared

Shelly says there always is a reason

And Chris said you're probably surrounded by girls

And I'm just not one of them you're needing
