

You're the Reason (Acoustic Version)

Victoria Justice & Victorious Cast

I don't want to make a scene
I don't want to let you down
Try to do my own thing
And I'm starting to figure it out That it's alright
Keep it together wherever we go
And it's alright,
oh, well, whatever everybody needs to know You might be crazy
Have I told you lately
that I love you?
You're the only reason that I'm not afraid to fly
And it's crazy
that someone could change me
Now—no matter what it is I have to do—I'm not afraid to try
And you need to know that you're the reason why
I don't even care when they say
You're a little bit off
Look 'em in the eye, I'd say,
"I can never get enough."
"I could never get enough." Cause it's alright
Keep it together wherever we go
And it's alright,
oh, well, whatever everybody needs to know If it was raining, you would yell at the sun
Pick up the pieces when the damage is done
You say it's just another day in the shade
But look at what a mess we made You might be crazy
Have I told you lately
that I love you?
You're the only reason that I'm not afraid to fly
And it's crazy
that someone could change me
Now—no matter what it is I have to do—I'm not afraid to try
And you need to know that you're the reason why I don't want to make a scene
I don't want to let you down
