## You're the Reason (Acoustic Version)

## **Victoria Justice & Victorious Cast**

I don't want to make a scene
I don't want to let you down
Try to do my own thing
And I'm starting to figure it outThat it's alright
Keep it together wherever we go
And it's alright,

oh, well, whatever everybody needs to knowYou might be crazy

Have I told you lately

that I love you?

You're the only reason that I'm not afraid to fly

And it's crazy

that someone could change me

Now—no matter what it is I have to do—I'm not afraid to try

And you need to know that you're the reason why

I don't even care when they say

You're a little bit off

Look 'em in the eye, I'd say,

"I can never get enough."

"I could never get enough."'Cause it's alright

Keep it together wherever we go

And it's alright,

oh, well, whatever everybody needs to knowIf it was raining, you would yell at the sun

Pick up the pieces when the damage is done

You say it's just another day in the shade

But look at what a mess we madeYou might be crazy

Have I told you lately

that I love you?

You're the only reason that I'm not afraid to fly

And it's crazy

that someone could change me

Now—no matter what it is I have to do—I'm not afraid to try

And you need to know that you're the reason whyI don't want to make a scene I don't want to let you down
