## **Pens and Needles**

## **Hawthorne Heights**

I miss you most on winter mornings
As we drift we slip through evenings, whoa-oh
We drive into the cold and dark with fingers crossed
I follow your lies to avoid from getting lostAnd all I had was the memory of what was
So let's pretend it never mattered to us
I hope this message finds you well

I never thought I'd live to tellJust to survive we do what we can

We read the maps and signs, and we make the plans

By our design I write it down to get me by

The worst time in my life

And all I had was the memory of what was

So lets pretend it never mattered to us

I hope this message finds you well

I never thought I'd live to tell

What's a dream and what is real, the way I really feelI HOPE THIS MESSAGE FINDS YOU WELL

## I NEVER THOUGHT I'D LIVE TO TELL WHAT'S A DREAM AND WHAT IS REAL!

(So let's pretend this is the ending

To the message I've been sending sadly...)

And all I had was the memory of what was

So lets pretend it never mattered to us

I hope this message finds you well

I never thought I'd live to tell

What's a dream and what is real, the way I really feelI hope this message finds you well I never thought I'd live to tell
