

A Million Miles an Hour

Eastern Conference Champions

Well I can go a million miles an hour
but I've been bored so try to drag me down into the night
but in the morning I knew the song
in the arms of a miracle
come back and see where you're from I can see the sun is on the rise
the pulse is strong, it warms you better than anything they left behind
but in the breath before you go
in the arms of a miracle
come back and see where you've gone
It starts as a battle of luck
in the end it's in the hands of ghost
well I am
well I am
I can go a million miles an hour
but I can see the sun upon their eyes
I can go a million miles an hour
I can see it's all true
you start to feel it finally It starts as a battle of luck
but it ends when your hands of a ghost lay it down yeah
