

# Rooted (feat. Ester Dean) [Al Rich Club Mix]

Ciara

Better than rooted now  
Mi seeds, we did now  
Mi rooted in the melanin Young girl, stay rooted  
I done plant my seeds, now I'm rooted  
Brown skin poppin', I'm rooted  
ATL bred, I'm rooted  
Rooted, nappy head rooted All my songs come with melanin  
Got the heart, got the soul like Harriet  
A queen since she born, that was evident  
That's evidence, of black excellence  
I can tell a good dog when I'm pettin' 'em  
Know that if I have his tribe, he protectin' 'em  
Mother of a child and God, I invest in 'em  
Nutritionin', brown milkin' 'em (Brown milkin' 'em)  
Young Rosa, young Luther, keep marchin' (Yeah, yeah)  
Flood gates comin' open, don't stop 'em  
I know that life, it ain't easy (Oh-oh, oh)  
Your life, it matters, believe me (Oh-oh, oh)  
Rule out the fakes and the frauds  
It's hiding behind a facade Young girl, stay rooted  
I done plant my seeds, now I'm rooted  
Brown skin poppin', I'm rooted  
Can't pull the hood out me, I'm rooted  
Rooted, nappy head rooted  
I done plant my seeds now I'm rooted  
Brown skin poppin', I'm rooted  
ATL bred, I'm rooted  
Rooted, nappy head rooted  
All my rules stay embedded in  
Hard work, let 'em know, ain't no trainin' in  
Poppin' off on the charts, that's a better win  
Than poppin' off in the streets, ain't no checkin' it  
I can tell a good dog when I'm pettin' 'em  
Know that if I have his tribe, he protectin' 'em  
Mother of a child and God, I invest in 'em  
Nutritionin', brown milkin' 'em (Brown milkin' 'em) Young Rosa, young Luther, keep marchin'  
(Yeah, yeah)  
Flood gates comin' open, don't stop 'em  
I know that life it ain't easy (Oh-oh, oh)  
Your life, it matters, believe me (Oh-oh, oh)  
Rule out the fakes and the frauds  
It's hiding behind a facade Young girl, stay rooted

I done plant my seeds, now I'm rooted  
Brown skin poppin', I'm rooted  
Can't pull the hood out me, I'm rooted  
Rooted, nappy head rooted  
I done plant my seeds, now I'm rooted  
Brown skin poppin', I'm rooted  
ATL bred, I'm rooted  
Rooted, nappy head rooted Watch out boy  
You think you can pull me up out of my stems  
Nah, mi rooted in the soil  
Mi rooted in the melanin Young girl, stay rooted  
I done plant my seeds, now I'm rooted  
Brown skin poppin', I'm rooted  
Can't pull the hood out me, I'm rooted  
Rooted, nappy head rooted  
I done plant my seeds, now I'm rooted  
Brown skin poppin', I'm rooted  
ATL bred, I'm rooted  
Rooted, nappy head rooted
