

Black Gloves

Young Buck

(Verse one-Young Buck)

Walk Through A Nigga Block, 2 Glock, 2 Tecks, 2 2-3's
Give A Nigga What He Really Want, When Bitch Niggas Don't Want Beef
Bitch Niggas Don't Know Me, Wait Till A Nigga Get In Range
Hate When A Nigga Wanna Run His Mouth, And Live His Life In Pain
We Ain't Even Used To This, Talk And Where The Gun Shots At?
Loose Lips Sank Ships, Ya'll Niggas Didn't Even Pop Back
Oh Lord, I Swore, If Any Muthafucka Holla My Name
Im Raw, Spelled Backwards, That's What I'm Gon' Bring
Banks, What A Nigga Think?, We Ain't Got Guns
No Troops, Everything Bulletproof, Sniper's Layin' Down On The Roof
Stash Box In The Coupe Nigga, I'm Tellin' You The Truth Nigga
Raise Them Lil Bitty Boys, All They Do Is Come Shoot Niggas

(Chorus)

Black Gloves, Black Mask
Black Shirt, Black Pants
Blue Steel, Blue Vest
He Dead, You Next(Hook)
Put A Couple Holes In A Hoe
Let A Nigga Know He 'Bout To Go
Put The Pump Right To His Throat
Bet He Won't Talk No More(Chorus)
Black Gloves, Black Mask
Black Shirt, Black Pants
Blue Steel, Blue Vest
He Dead, You Next
Black Gloves, Black Mask
Black Shirt, Black Pants
Blue Steel, Blue Vest

He Dead, You Next(Verse two-Young Buck)

I'm Commin', Through The Front Door, Mask On, Let's Ride
Everybody On The Muthafuckin Floor, Soon As A Nigga Get Inside
My Hood, My Click, Your Wife, My Bitch
Show A Nigga That You Really Love Him, Set Him Up To Hit A Good Lick
Cops Comin', I'm Not Runnin, If I Do Die, Don't Cry
I Haven't Planned On Stayin' Long Anyway, I Ain't Gon' Lie
Wonder Why I Still Got Bricks, Wonder Why I Still Got Clips
Cuz Ain't A Damn Thing Changed, Ever Since Young Buck Got Rich
Are Ya Ready For The Outcome, Why You Walkin 'Round Without A Gun
Shit Real, Till A Nigga Get Killed, Then You Wanna Run And Get One
Fuck That! I'm Callin' Out Names, Ja Rule, Ya'll Lose
I Don't Even Care How It Started, Fuck Me?, Fuck You!

Wait Till Yayo Get Home, We Gon' Really Get These Niggas Gone
But For Now Nigga, Hold On, Im'a Show You How To Break A Bone
Cashville, Tennekee Nigga!, We Thug You Knew It
New York, We Here, For Life, G-Unit!

(Chorus)
