

I'll Wait

Van Halen

You've got me captured, I'm under your spell
I guess I'll never learn
I have your picture, yes, I know it well
Another page is turned Are you for real? It's so hard to tell
From just a magazine
Yeah, you just smile and the picture sells
Look what that does to me I'll wait 'til your love comes down
I'm coming straight for your heart
No way you can stop me now
As fine as you are I wrote a letter and told her these words
That meant a lot to me
I never sent it, she wouldn't have heard
Her eyes don't follow me
And while she watches I can never be free
Such good photography! I'll wait 'til your love comes down
I'm coming straight for your heart
No way you can stop me now
As fine as you are You can't imagine what your image means
The pages come alive
Your magic greets everyone who reads
Heartbreak in overdrive Are you for real? It's so hard to tell
From just a magazine
Yeah, you just smile and the picture sells
Look what that does to me I'll wait 'til your love comes down
I'm coming straight for your heart
No way you can stop me now
As fine as you are
I'll wait 'til your love comes down
I'm coming straight for your heart
No way you can stop me now
As fine as you are
