

# Happy?

## Mudvayne

In this hole  
That is me  
The dead are rolling over  
In this hole  
Thickening  
Dirt shoveled over shoulders I feel it in me  
So overwhelmed  
All this pressure center rising  
My life overturned  
What dare the despair  
All these scars keep ripping open Peel me from the skin  
Tear me from the rind  
Does it make you happy now?  
Tear me from the bone  
Tear me from myself  
Are you feeling happy now? In this hole  
That is me  
A life that's growing feeble  
In this hole  
So limiting  
The sun has set; all darkens Buried underneath  
Hands slip off the wheel  
Internal path-way to contention Peel me from the skin  
Tear me from the rind  
Does it make you happy now? Tear me from the bone  
Tear me from myself  
Are you feeling happy now?  
(Are you) Happy?  
(Are you) Happy?  
Are you feeling happy? In this hole  
That is me  
Left with a heart exhausted  
What's my release?  
What sets me free?  
Do you pull me up just to push me down again? Peel me from the skin  
Tear me from the rind  
Does it make you happy now? Tear me from the bone  
Tear me from myself  
Are you feeling happy now? Peel me from the skin  
(Peel me from the skin)  
Tear me from the rind  
Does it make you happy now? Tear me from the bone

(Tear me from the bone)  
Tear me from myself  
Are you feeling happy now? Does it make you happy?  
Are you feeling happy?  
Are you fucking happy?  
Now that I'm lost, left with nothing Does it make you happy?  
Are you feeling happy?  
Are you fucking happy?  
Now that I'm lost, left with nothing
