

# Tough Love (feat. Agnes & Vargas & Lagola)

Avicii

Weight is on me  
Weight is on you  
We scream and we fight like there's nothing to lose  
End of the day, come and take my arm  
There's no place I'd rather be than in your arms  
Weight is on you  
Weight is on me  
Sometimes I'm not who you want me to be  
God knows I try, we stumble and we fall  
There's no place I'd rather be than in your arms  
Give me tough love and a lesson to learn  
Your tough love is what I deserve  
Sweet tough love, you're my pretty good luck charm  
There's no place I'd rather be than in your arms  
Weight is on you  
Weight is on me  
Sometimes I'm not who you want me to be  
God knows I try, we stumble and we fall  
There's no place I'd rather be than in your arms  
Give me tough love and a lesson to learn  
Your tough love is what I deserve  
Sweet tough love, you're my pretty good luck charm  
There's no place I'd rather be than in your arms  
Give me tough love and a lesson to learn  
Your tough love is what I deserve  
Sweet tough love, you're my pretty good luck charm  
There's no place I'd rather be than in your arms
