

Tonight (Best You Ever Had) [feat. Ludacris]

John Legend

Ain't this what you came for
Don't you wish you came, oh
Girl what you're playing for
Come on, let me kiss that
Ooh, I know you miss that
What's wrong, let me fix that
Twist that
Baby, tonight's the night I let you know
Baby, tonight's the night we lose control
Baby, tonight you need that, tonight believe that
Tonight i'll be the best you ever had
I don't wanna brag, but i'll be The best you ever had
I don't wanna brag, but i'll be
The best you ever had
I hit you with the best flow Freestylin the breaststroke
Til you blowing cigarette smoke
And now the bed's broke
So what we gon' do now
F-ck it, round two now
Work it out, then we cool down Cool down
Baby, tonight's the night I let you know Baby, tonight's the night we lose control Baby, tonight
you need that, tonight believe that
Tonight i'll be the best you ever had
I don't wanna brag, but i'll be The best you ever had
I don't wanna brag, but i'll be
The best you ever had
Luda, listen
You ain't even gotta text me
Knowin' me and you got that mental telepathy
Me be up at the spot
I'll be sending over the chauffeur
Rich n-gga bread, stay poppin' like a toaster
Nobody come close to me and you together
Step under my umbrella, we'll make it through any weather
Except when I make it storm, sex in the greatest form
And hibernate under my body
Yep I keep it warmer than a chinchilla She know I beat it up like the thriller in Manila
Flying my private jet to villas in Anguilla
Than throw you on a grill
Cause seven days a week you're my 5 course meal for real
Baby, tonight's the night I let you know
Baby, tonight's the night we lose control

Baby, tonight you need that, tonight believe that
Tonight i'll be the best you ever had
I don't wanna brag, but i'll be
The best you ever had
I don't wanna brag, but i'll be
The best you ever had
