

# The Sunshine

## Manchester Orchestra

I already know I don't already know  
You are the sunlight  
I don't really care if you don't understand  
You are the moonlight And that's alright, alright with me  
Oh, that's alright I don't really mind if you don't really mind  
You are the sunshine  
You don't have to know if you don't want to know  
You are the moonlight  
Oh and that's alright, alright with me  
Oh that's alright, alright with me
