

# The Edge of Paradise

## Kamelot

Once upon a time, I believe it was a Tuesday when I caught your eye  
And we caught onto something I hold onto the night, you looked me in the eye and told me you loved me  
Were you just kidding? 'cause it seems to me, this thing is breaking down We almost never  
speak I don't feel welcome anymore Baby what happened, please tell me?  
'cause one second it was perfect, now you're halfway out the door  
And I stare at the phone, he still hasn't called And then you feel so low you cant feel nothing at  
all And you flashback to when he said forever and always Oh, and it rains in your bedroom  
Everything is wrong It rains when you're here and it rains when you're gone Cause I was there  
when you said forever and always  
Was I out of line? Did I say something way too honest, made you run and hide Like a scared  
little boy I looked into your eyes Thought I knew you for a minute, now I'm not so sure  
So here's everything coming down to nothing Here's to silence that cuts me to the core Where is  
this going? Thought I knew for a minute, but I don't anymore  
And I stare at the phone, he still hasn't called And then you feel so low you cant feel nothing at  
all And you flashback to when he said forever and always Oh, and it rains in your bedroom  
Everything is wrong It rains when you're here and it rains when you're gone 'cause I was there  
when you said forever and always You didn't mean it baby, I don't think so  
Back up, baby, back up Did you forget everything Back up, baby, back up Did you forget  
everything  
'cause it rains in your bedroom Everything is wrong It rains when you're here and it rains when  
you're gone 'cause I was there when you said forever and always  
Oh, I stare at the phone, he still hasn't called And then you feel so low you cant feel nothing at  
all And you flashback to when we said forever and always  
And it rains in your bedroom Everything is wrong It rains when you're here and it rains when  
you're gone 'cause I was there when you said forever and always You didn't mean it baby, you  
said forever and always... yeah
