Nice car! Where'dya get your ride?
A trophy? Badge of honor? Overcompensation?
Price tags! Advertise yer pride
Since when did what we paid for colored cloth gage our gravity? Yeah, you got'cha little world
Picture perfect, it's a pearl
Now go and try to sleep in the bed you made You should be careful what you wish for!
'Cause everyone of us has the devil inside
You should be careful what you wish for!
'Cause all of what amounts becomes you
Nice watch! Man d'ya got the time?
There's never enough, and it always goes too slow
Too slow Yeah, you got'cha little world
Picture perfect, it's a pearl
Now go and try to sleep in the bed you made You should be careful what you wish for!
'Cause everyone of us has the devil inside
You should be careful what you wish for!
'Cause all of what amounts becomes you
You Nice watch! Man, you got the time?
There's never enough, and it always goes to slow
Price tags, advertise your pride
Since when did what we paid for color cloth gage our gravity?
You should be careful what you wish for!
'Cause everyone of us
You should be careful what you wish for!
'Cause all of what amounts becomes you
You
