

Any Other World

MIKA

In any other world you could tell the difference
And let it all unfurl into broken remnants
Smile like you mean it and let yourself let go 'Cause
it's all in the hands of a bitter, bitter man
Say goodbye to the world you thought you lived in
Take a bow, play the part of a lonely, lonely heart
Say goodbye to the world you thought you lived in
To the world you thought you lived in I try to
live alone, but lonely is so lonely, alone
So human as I am, I had to give up my defences
So I smiled and tried to mean it to let myself let go 'Cause
it's all in the hands of a bitter, bitter
man
Say goodbye to the world you thought you lived in
Take a bow, play the part of a lonely, lonely heart
Say goodbye to the world you thought you lived in
To the world you thought you lived in 'Cause
it's all in the hands of a bitter, bitter man
Say goodbye to the world you thought you lived in
Take a bow, play the part of a lonely, lonely heart
Say goodbye to the world you thought you lived in
To the world you thought you lived in
Say goodbye to the world you thought you lived in
Say goodbye
In any other world you could
tell the difference
