

New Years Day

Caesars

I sit all dull in a beautiful yellow haze
Setting my mind on a perpetual holiday
TV set shows may everything that I need
Guess I'm not gonna get out of bed anytime this week
But I'll be home to New Years Day
Right now I am far away
But I'll be home to New Years Day
But I'll be home to New Years Day
Throw another year away
But I'll be home to New Years Day
The kids outside on the street played a stupid game
Seems they don't even noticed that the sky's turning green again
? Behind my eyes fallowed a crooked line
But you can yell ok I won't listen to a word you say
But I'll be home to New Years Day
Right now I am far away
But I'll be home to New Years Day
But I'll be home to New Years Day
Throw another year away
But I'll be home to New Years Day
But I'll be home to New Years Day
Right now I am far away
But I'll be home to New Years Day
But I'll be home to New Years Day
I'll throw another year away
But I'll be home to New Years Day
