## **Dear Boy**

## **Avicii**

So bold and fine
I've known you for some time
Whole life changed while
Bones like yours and mine
Go dance in the woods and
Down we go, down, down
Oh boy, you're mine

Do you remember old times? Oh dear boy, I wanna follow you

You're a wild boy, I am a wild girl too Oh dear boy, it's so hollow without you In a world with everything but it won't do

Oh dear boy, I wanna follow you

You're a wild boy, I am a wild girl too

Oh dear boy, so shallow without you

It's our time for everything and I call youSweet love of mine, destruction ain't a crime For those who find love as a game like you and I

Go dance in the waters of all the tears we've cried

Oh boy, you're fine, do you remember old times? Oh dear boy, I wanna follow you

You're a wild boy, I am a wild girl too Oh dear boy, it's so hollow without you In a world with everything but it won't do

Oh dear boy, I wanna follow you You're a wild boy, I am a wild girl too

Oh dear boy, so shallow in the blue

It's our time for everything and I call you
