

# Instigators

## Grace Potter

United we stand, divided we fall  
It's time to crossover, shoulder to shoulder  
Raise up your arms, come one, come all  
We've got to crossover Shoulder to shoulder, we blow on the coals  
In the cold of our souls, we crash in the hole You, me, together we're gonna be  
The instigators  
Revolution loves company  
We are the revelators  
There's a generation living in a satellite  
And they're getting closer, closer and closer  
Raise up your arms, hold up the sky  
It's time to crossover Shoulder to shoulder, we blow on the coals  
In the cold of our souls and we're ready to fight You, me, together we're gonna be  
The instigators  
Revolution loves company  
We are the revelators Shoulder to shoulder, we blow on the coals  
In the cold of our souls and we're ready to fight  
You, me, together we're gonna be  
The instigators  
Revolution loves company  
We are the revelators
