

Show Me Your Face

Fred Hammond

Closer

YeeeahhhhhhChorus:

Show me your face
need to see you clearly
no more mistakes
look at all the time i'm losing
more than your mercy
Lord will you take me
closer, (show me) let me see your face

Verse 1(Fred):

Its the hardest thing that I ever had to do
and that's admit the truth
The reason I missed you was all because of me
Seemed okay at the time
but now I find

It wasn't worth it, it wasn't worth itChorus 1xVerse 2:

Heres what I'm counting on with you
Lord you know me through and through
Remove the broken pieces
All the fragments and debris
Till there's nothing left of me

And I say, here is a heart yielded totally, totallyChorus 1x

Fred: Now theres one thing left to do

Choir: One thing left to do

Fred: Everything else must move

Choir: Everything else must move

Fred: Gotta Find the place

Both: Where I can see your face, I can see your face

Fred: Now my secrets turn to say

Choir: Secrets turn to say

Fred: And I need more than a word

Choir: Need more than just a word

Fred: Put me in the place

Choir: where i can see your, see your faceChoir & Fred:

I need to see your face

see your face

Put me in the place

where I can see your face

See your face, See your face

Put me in the place

Where I can see your face

See your face, see your face

Put me in the place
Where I can see your face, can see your faceChorus 1x
