

# Heaven Sent

Keyshia Cole

Sent from heaven  
Sent from heaven Now you can wait your whole life wondering  
When it's gonna come or where it's been  
You may have got your heart broken  
A few times in the past  
Never last as strong as it used to  
It don't feel as good as it used to before  
And all the things you used to say  
Things you used to do, went right out the door  
Ooh, no more will you be the one  
That's what you tell everyone around you  
But you know they've heard it all before  
What more can you say?  
When love won't let you, walk away  
And you can't help who you love  
And you find yourself giving it away  
When you think you're in love, ooh, 'cause I wanna be the one who you believe  
In your heart is sent from, sent from heaven (sent from heaven)  
There's a piece of me who leaves when you gone  
Because you're sent from, sent from heaven (ooh, 'cause)  
I wanna be the one who you believe  
In your heart is sent from, sent from heaven  
And there's a piece of me who leaves when you gone  
Because you're sent from, sent from heaven  
Now you can wait your whole life tryna change  
What the fear from what it's been  
You may have put your whole life into a man  
Loving what you thought that could've been  
Notice when you change  
When you don't feel as good as you used to before  
And everything you used to say  
'thing you used to do, clear right out the door Ooh, no more will you be the one  
That's what you tell everyone around you  
But you know they've heard it all before  
What more can you say?  
When love won't let you, walk away  
And it can't help who it loves  
And you find yourself giving it away  
When you think you're in love, 'cause I wanna be, hey, yeah I wanna be the one who you believe  
In your heart is sent from, sent from heaven (oh, sent from heaven, yeah)  
There's a piece of me who leaves when you gone  
Because you're sent from, sent from heaven (I wanna be the one, hey)

I wanna be the one who you believe  
In your heart is sent from, sent from heaven (oh, yeah)  
There's a piece of me who leaves when you gone  
Because you're sent from, sent from heaven And everybody say  
I wanna be the one you love  
I wanna be the one you love (sent from heaven)  
Everybody say I wanna be the one you trust  
I wanna be the one you trust (sent from heaven)  
Everybody say I wanna be the one you need  
I wanna be the one you need (sent from heaven)  
Hey, everybody say I wanna be the one who, sent from heaven! I wanna be the one who you  
believe  
In your heart is sent from, sent from heaven (hey, sent from heaven, yeah!)  
There's a piece of me who leaves when you gone  
Because you're sent from, sent from heaven (I wanna be the one, oh!)  
I wanna be the one who you believe  
In your heart is sent from, sent from heaven (hey)  
There's a piece of me who leaves when you gone  
Because you're sent from, sent from heaven I wanna be the one who you believe  
In your heart is sent from, sent from heaven  
There's a piece of me who leaves when you gone  
Because you're sent from, sent from heaven
