

# Next In Line

## Meese

Your just so typical  
I took you for original  
(Na na na na na)  
Like all the other ones  
Like every other hidden one  
(Na na na na na, na na na na na)  
Now back in hollywood  
We're acting like nothing, royalty  
We're on.  
C'mon and pack 'em in  
You pack 'em in yea-yeah  
(Na na na na na, na na na na na)  
[Chorus:]  
Stop and rewind  
Now I know  
What I'm leaveing behind  
And you'll always be the next in line  
Make a scene  
Make a scream  
Like you're loseing your mind  
And you'll always be the next in lineShe likes the sound of it  
I said,  
"There's something wrong with it."  
(Na na na na na)  
I told you what you need  
I told you everything, yeah  
(Na na na na na, na na na na na)[Chours:]  
Now you know  
You're the one that I'm  
Leaveing behind  
And You'll always be the next in line  
Make a scene  
Make a scream  
Like you're loseing your mind  
And you'll always be the next in line...Mean what you say, kid  
Before you waste it.  
Slam on the breaks now  
Before the breakdown.  
(Na na na na na)You're so much older now  
You're holdin' out  
You're holdin' out  
Oh, so c'mon pack 'em in

You pack 'em in yea-yeah  
(Na na na na na, na na na na na)[Chorus:]Always be the next in line  
Always be the next in line  
Na na na na na, na na na na na  
Na na na na na, na na na na na  
Na na na na na, na na na na na  
Na na na na na, na na na na na.
