## **Saturday Nights**

## **Khalid**

Saturday nights
New berry cigarillos
Swishers make my throat hurt
Rolling OCDs on the side for me
Got 'em up and let 'em both burn
Family feuds saying Mom's confused
I'm for sure she doesn't wanna learn
But Daddy's gone, say he's never home

And wishing only makes it worseI guess there's certain dreams that you gotta keep 'Cause they'll only know, what you let 'em see

All the things that I know
That your parents don't
They don't care like I do
Know well like I do
And all the things that I know

That your parents don't They don't care like I do

ney don't care like I do

Nowhere like I do

Nowhere like I do

Nowhere like I doSaturday nights

That gray Silverado

You drive it 'cause you have to

Stay up working late at a job you hate

Fix your makeup in a dirty bathroom

All my love in the dark clouds

I know what you gotta do

You got plans, wrapped in rubber bands

And that's the only thing you'll never lose

I guess there's certain dreams that you gotta keep

'Cause they'll only know what you let 'em seeAll the things that I know

That your parents don't

They don't care like I do

Nowhere like I do

And all the things that I know

That your parents don't

They don't care like I do

Nowhere well like I do

Nowhere like I do

Nowhere like I do'Cause I care

I care about you

There's nowhere I'd rather be

Than right here right now

I care, care about you There's nowhere I'd rather beAll the things that I know That your parents don't They don't care about you Nowhere that I do And all the things that I know

That your parents don't

Don't care about you

Nowhere that I

Nowhere that I do

Nowhere that I do (do, do, do)

Nowhere that I do (do, do, do)

Nowhere that I do (do, do, do)
